Memorandum for: Dr. James R. Killian, Jr.
Chairman, President's Foreign
Intelligence Advisory Board

The report which you requested on 14 November concerning the U. S. foreign intelligence effort in connection with the Cuban arms build-up (14 April through 14 October 1962) was forwarded to you on 26 December.

10 JAN 63
On 3 January an executive session of the United States Intelligence Board concurred with my proposal that the report be considered final. Therefore the page designating the report as a draft should be removed from each copy in the hands of your board.

(Signed) JOHN A. McCONE
